About Uncommon Beach

Uncommon Beach Ltda. is a beach toy manufacturer and exporter located in Araquari, Santa Catarina, Brazil. Officially established in 1999, Uncommon has steadily grown, acquiring its own facility in 2002, which boosted production capacity and expanded inventory space.

Our company culture is founded on principles of excellence, honesty, delivering results, and treating others as we wish to be treated. This commitment is reflected in the trust we've built with our clients and suppliers, as well as in the quality and competitive pricing of our products.

Long-term Partnerships

Strengthening ties, delivering results with our partners.

Your Private Label, Our Expertise

Looking for private label products? We make it happen!

Beach Toys

Ready for a day at the beach

BODYBOARDS

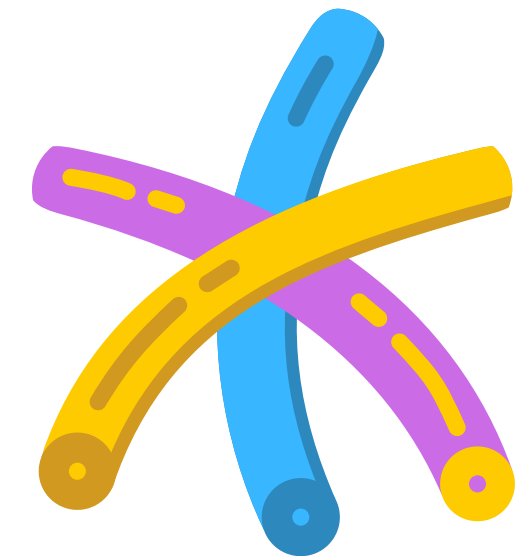

SAND BUCKET

PADDLES AND GAMES

FLOATING TOYS

Bodyboards

Durable, Eco-Friendly Bodyboards

Our bodyboards are made from recycled materials, allowing us to utilize up to 30% more resources. This results in boards that are highly durable and buoyant, helping to create a more eco-friendly industry.

For more information, please visit our catalog.

Sand bucket

Fun and Educational

Made from durable polypropylene (PP), these sand buckets are built to last. Our kits include tools and themed molds that inspire creativity and promote cognitive development in children.

For more information, please visit our catalog.

Paddles and Games

Lightweight and Durable

Our paddles are crafted from carefully selected, knot-free Pinus wood, with EVA-covered handles for enhanced comfort and grip.

Floating Toys

Stylish and Comfortable

Our floaters are made from solid expanded polyethylene, ensuring high durability and excellent buoyancy. With vibrant, long-lasting colors, they maintain their appeal over time.
